ABTA ONLINE
The ABTA website, www.abta.org, is a comprehensive resource for patients, families, caregivers and health care professionals. Information is interactive and easy to navigate. Downloadable patient education materials and our mobile web interface make our information easy to access, save, print and take along to meetings and appointments.

On-demand webinars, research updates and easy access to the ABTA’s print and online newsletters mean that the latest brain tumor information is never more than a click away.

SOCIAL MEDIA
The American Brain Tumor Association maintains an active social media presence, with thousands of friends, fans and followers turning to the ABTA’s Facebook fan and group pages, as well as following the ABTA’s Twitter feed, for up-to-the-minute information. The ABTA can be found at:

ABOUT THE AMERICAN BRAIN TUMOR ASSOCIATION
Founded in 1973, the American Brain Tumor Association (ABTA) was the first national nonprofit organization dedicated solely to brain tumor research. For nearly 40 years, the ABTA has been providing comprehensive resources that support the complex needs of brain tumor patients and caregivers, as well as the critical funding of research in the pursuit of breakthroughs in brain tumor diagnosis, treatment and care. To learn more about the ABTA, visit www.abta.org.
